- Applicants are required to complete a 120-credit hour degree or equivalent before admission to CPA PEP.
- For entry into CPA PEP, a minimum grade of 60% is required and a minimum GPA of 65% is required in all Core Courses. A passing grade is required for all non-core courses.
- Applicants missing one or more of the required courses for direct admission into CPA PEP may complete equivalent coursework through CPA preparatory courses delivered by the CPA Western School of Business (CPAWSB) and/or from a recognized post-secondary institution.
- Where two or more courses are required to meet a CPA prerequisite, CPAWSB recommends completing those courses through one post-secondary institution to ensure all required content is covered. Exemptions may not be granted for courses completed through multiple post-secondary institutions.
- A course may count as an exemption for more than one prerequisite if it covers competencies across multiple subject areas.
